

## **VISION:**

To develop KTD Singh Police Training Academy into a premier Training Institute of its kind, not only in this region but also in the country, by preparing Police officers and personnel imbued with the philosophy of democratic policing, high standard of professionalism, respect to human rights and social services.

## **MISSION:**

- The Academy will be a focal point of all training activities including basic training from the rank of constable to Deputy Superintendent of Tripura Police and of other states and to design a training system to meet the training goals based on the concept of modern-day- policing.
- It will analyze the training needs and prepare periodical and also consolidated annual training calendar for Tripura police after continuous evaluation of the preceding calendars.
- It will impart multidisciplinary professional training with the State-of- the- art equipment and technology and also highly motivated faculty to inculcate integrity of the highest order, physical fitness and mental alertness, broad perspective of law and justice, respect for human rights and service to the people.
- The Academy will be a centre for research studies on police sciences and will provide consultancy services to other sister training institutions for improving their training curriculum & other related matters, especially on insurgency.
- It will design and formulate modalities for close coordination with other components of criminal justice system and administration etc.

- It will strive to become a “Training Centre of Excellence’ in conformity with the guidelines of BPR & D and through tie -ups with other premier training institutes of thre country and abroad.
- Finally it will Endeavour to develop through training ,a disciplined, honest, sincere ,thoroughly dedicated people-friendly police, totally committed to discharge their social responsibilities with a determined conviction.
- **MOTTO : “*In Pursuit of Excellence*”**
